FAGKC AEROBIC CLASS SWEATS IT OUT

Basic floor exercises are stressed by instructor, Manny de Leon

An observation gained through personal experience by TAMBULI Editor, Alcy Abanilla.

Moaning...groaning...with sweat pouring down their faces and bodies, the first group of the FAGKC Aerobic Class graduated on May 13, knowing that they are in better shape now than they were six weeks ago when it all started for them.

The group included Adelle Agpoon, Scott Armstrong, Becky Castro, Carmen Chico, Claire Ick, Lillian Pardo, Shirley Sulit, Mila Tiojanco, and myself. Noy Sulit and Vina Agpoon were guests in some of the sessions.

How can a group of intelligent adults spend one-hour-sessions two nights a week for six weeks, seemingly punishing themselves? Easy! The desire to improve ones body -- to make it healthier, sleeker, and toned up (or down) is inherent in all of us. Vanity aside, we all like the feeling of well being when our body is functioning properly.

Also, the knowledge that we were helping with the upkeep of our cultural center added the extra incentive. The reasonable fee of \$25.00 for the six week period goes towards paying for utility bills for the Philippine House -- every penny of it.

The class instructor, Manny de Leon, unselfishly gives of his time as his contribution to the Association. To see Manny perform is to see an *artiste extra ordinaire!* He brings the same vigour, skill, talent, and beauty to the Aerobic Class as he does to the Sinagtala, our dance troupe.

Some weight loss were reported by the group. One reported a loss of five pounds! I did not lose any weight, but I did lose over one inch in the waist and one inch from my hips. I can only take comfort in the thought that muscles weigh more than fat! Another student was really impressed with the fact that when she now wear her shorts, her thighs do not shake anymore.

Although the class was made up of 99% female, this should not discourage the males from attending. This is a fun way to lose that middle age spread (and/or beer belly). Or if that is not your problem, it is definitely a way to keep trim and slim. One thing I have not mentioned is that the class is also a good way to improve your coordination.

"HIT IT GIRLS!" Fr. l. to r.: Claire Ick, Lillian Pardo, Carmen Chico, Alcy Abanilla, Mila Tiojanco, and Becky Castro.

MINUTES OF THE MAY MEETING

The meeting was called to order at 8 p.m. by Pres. Carmen Chico. She thanked Drs. Eddie and Remy Lorenzo for acting as hosts.

- I It was moved and seconded that the minutes of the April meeting as published in the TAMBULI be approved.

II OLD BUSINESS

- A. On last year's September Affair balance to Alameda Hotel, Pres. Chico called the IRS for new forms for the tax exemption of the association as a non-profit organization. Xeroxed copy from Benny Manalo's records have been renewed on both Missouri and Kansas sides.
- B. The Gatapia family thru Carmen have expressed their wholehearted thanks for the sympathy, prayers and support given in their time of bereavement.

III Reports of the different Committees:

- A. TAMBULI Editor, Alcy Abanilla brought out the idea of going into bulk rate mailing of the TAMBULI, which is cheaper than the first class mailing. John Fread stated that the application fee is \$40 and the annual renewal permit is \$25. There is a minimum of 250 copies each time of mailing and are sorted by zip code. Two copies can't be sent to the same person. Ramon DyRagos is not in favor cause it takes a lot of time and effort to meet the requirements of bulk mailing. Since there are only 200 copies printed each month, the body agreed to have the TAMBULI sent the usual way.
- B. Senior Citizens Committee Chairman Celestino Gomez reported one death from their group. No other report mentioned.
- C. Committee on Constitution and By-laws Chairman Eddie Lorenzo stated that with the growing association, the by-laws need to be looked at - on how to incorporate the different subgroups in the association. He's thinking of some programs for the senior citizens' benefit like examination by medical doctors or "adopt an elderly" program to get senior citizens from social isolation. The Committee on Social and Membership may also help organize activities for them.

- D. Ways and Means Committee Chairman Lydia DyRagos talked about the garage sale to be held on May 14, 15 and 16. She asked that somebody will be at the Philippine House to open it and receive the items donated on Sundays May 4 and 11. Receipts of the association are needed for those giving donations. Carmen said she will have it ready (xeroxed) on May 4.

The Royal's Concession Stand needs one to have a liquor license to be able to sell. There should be at least 35 people to run the stand which makes Lydia hesitant on this venture but it was suggested to form a committee to ask for volunteers.

Lydia also mentioned about the Horse Race (AKSARBEN) as a form of fund raising. There's one group leaving on June 27 with a \$40 fee that includes one day food, clubhouse and fare.

The Las Vegas Night will be held at Manny Pecana's residence on June 13 at 6:30 p.m. with a pot luck dinner. Drinks will be sold.

- E. Sinagtala Director Manny de Leon reported on the group's performance at the Johnson County Community College. He said it was not a satisfactory performance but a lot of people liked it. Manny wanted to have feedback from the parents and Lee Tabiendo said it was good. Other parents from the group also gave their complements. Manny needs a bigger troupe but he is having a hard time in recruitment.

Tony Racela is thinking of incentives to attract people to join the dance troupe. He proposed to give scholarships to those who will join and devote their time for rehearsals. John Fread on the other hand said it's better to give wages for the members. But since our association is a non-profit one, it was not accepted by the group. Dr. Racela's proposition was put into motion, 18 were in favor while four were not.

- F. Committee on Transportation. Jojo Bacani said he doesn't even know what he is supposed to do in his committee, so Carmen said she will provide him with a written job description on his area.
- G. Social and Membership Committee Chairman,

Angie Chico reported three new family, one individual and one senior citizen members. She thanked those who helped in the Easter Picnic even though this venture didn't generate funds due to the bad weather.

- H. Asian Festival Committee report is in the minutes of the meeting held before the general meeting. Tony Racela, the Overall Chairman said that the three basic groups are Filipinos, Chinese and Koreans. The Japanese withdrew from the group. The other participating groups are Indo-Chinese, Vietnamese, Laotians and Indians.

The Medical Conference will be held at Mercy Hospital at the same time of the festival so this is a good time to attract out of town doctors.

An Asian Parade will be held on the opening day. The basis of earning money is productivity. Proceeds from the gate will all go to the pot and will be equally divided among the groups. On food, 100% go back to the group while on handicrafts, 80% will go back to the group. The only problem working with the other groups is among the Laotians who can't speak English.

- IV The meeting was adjourned at 10 p.m. followed by a dinner in honor of Alcy Abanilla's birthday.

SINAG-TALA REPORT

by Celeste Gomez

The Sinag-Tala Performing Arts Troupe shone its light again when they performed at the Johnson County Community College on April 23.

The troupe was well received by an audience of 275 when they danced the Moslem dances and rural dances.

There was still a bit of nervousness and cold feet among the dancers, but in some instances it did not show -- many troupers are learning how to be professional in their dance.

The Sinag-Tala will be preparing for their performance at the Asian Festival in July.

'80-'81 WINTER LEAGUE BOWLING CHAMPS

The FAGKC Bowling Mixed League played off last April 26 with the MISFITS bagging the first place. The JEPROX and WE THE FAMILY came in second and third respectively.

A dinner was held the following Saturday, May 2, at Alma's BBQ Restaurant in Independence to celebrate as well as to give away the prize money and plaques. It was attended by the bowlers with their families and friends. The food served which was basically Filipino was good.

The following people received individual plaques for placing first and second teams respectively: Boots Lampa, Benny Vergara, Maggie Vergara and Eric Vergara of the MISFITS; Jun Umali, Angel Agpoon, Becky Castro and Edwin Umali of the JEPROX team.

Individual plaques were also awarded to the following categories: Hi 10 Scratch, Men to Jun Calata with a score of 257; Hi 30 Scratch, Men to Eric Vergara with a score of 621; Hi 10 Handicap, Men to Rolando Mina with a score of 245, 22 handicap and 267 total score; Hi 30 Handicap, Men to Jun Umali with 599 series, 78 handicap and 677 total series; Hi 10 Scratch, Women to Fe Bagunu with a score of 232; Hi 30 Scratch, Women to Evelyn Cruz with a score of 575; Hi 10 Handicap, Women to Evelyn Bagalawis with a score of 207, 52 handicap and a total score of 259; Hi 30 Handicap, Women to Pauline Salvatierra with a 575 series, 78 handicap and a total score of 653.

For the most improved average among men, Dannie Rodin got a key chain while Delia Capi-li got a pin for her 22-pins increase on her average.

The VISAYANS composed of Genaro Alemania, Margarita Alemania, Orly Portante and Roger Hernandez on the other hand received a hand-towel each for "trying hard". All the awards presented were given by NKC Bowling Lanes. Every bowler got his/her prize money too, the amount of which depends on how many games each team won.

The next Winter League will start on Sept. 16 to be held at NKC Bowling Lanes every Sunday at 3 p.m. Anybody interested to join will be welcome. They could contact the Secretary of the League, Pauline Salvatierra at 483-2780.

MINUTES OF THE ASIAN FESTIVAL MEETING

The meeting was called to order at 7 p.m. by Dr. Manny Pecana, the Overall Chairman of the Filipino group to the ASIAN FESTIVAL. He has chosen also Dr. Chito Tadeo as Co-Chairman. The festival will open on Friday, July 17 from 4 p.m. to 12 m.n. On Saturday, it will be opened from 12 noon to 12 m.n. and on Sunday, from 10 a.m. to 10 p.m.

There will be 10 committees working, namely:

1. Food Committee headed by Lillian Pardo and helped by Flor and Lee Tabiendo. There would be three different colors to be worn on three different days and ID's for those who will work. All personnel working will have food and there will be one booth for them. Food for Filipino personnel will be supervised by Tacing Quinones and Charing Gomez. The Filipino group will prepare refreshments such as buko & cantaloupe drinks, iced tea, coffee, halo-halo and turon. The main dishes will include fried rice and pansit canton. Manny de Leon suggested to have BBQ but it will be a duplication to the food that the other groups have. Proceeds from the sale of refreshments will be ours while on the main dishes, 80% will go back to each group and 20% to the council.

2. Ticket Committee Chairman is Carmen Chico with Remy Lorenzo and Angie Chico as co-chairmen. Carmen will be in charge of the advance sale tickets. Before selling tickets, there should be a program of activities first. Jun Puno is in charge of printing. Tickets sold in advance cost \$2 and \$2.50 at the gate. One group has recommended a printing cost of \$109 for 20,000 business size card tickets. It was suggested to have a bamboo trunk with leaves as logo background on the tickets since this is common to Asian countries but this has to be approved by the council first. It was also suggested to have the tickets stamped at the back with a signature to avoid duplication.

The program needs to be confirmed by 1st week of May and tickets would be ready by May 8. Manny asked the group regarding admission of children in the fair. It was agreed that children 12 years and below will be free.

3. Promotion Committee will be headed by Claire Ick which will include publicity in

newspapers, radio and TV. Part of the ad coverage will be handled by the Crown Center (50-50). Manny will have to discuss this with the Council President.

4. Souvenir Program and Solicitation Committee is headed by Dr. Chito Tadeo who will be in charge of writing letters, ads and communications with Jun Puno for the souvenir program. However, he will need to meet with the other committee chairmen from the other groups. Noy Sulit, Ramon and Lydia DyRagos will help. Ticket sales is a source of finance plus other projects set by Ramon and Lydia DyRagos such as the Garage Sale and the La Vegas Night on June 13 at Manny Pecana's residence.

5. Finance Committee will be handled by Lily Casillan and the overall finance by Benny Manalo. Expenses for all ventures will come from the council but we need to put up money for the food materials.

6. Committee on Decorations is headed by John Fread with Ed Bechelmayer. This include electrical installation too.

7. Exhibits Committee Chairman is Tony Racela for the Filipino participation.

8. Handicrafts Committee will be handled by Fr. Asterio Duque and Manny Pecana with Eileen Fidelino helping. This would be done on a consignment basis from either Chicago or California where Fr. Duque has contacts. This contract will enable us to return what has not been sold. However, we have to pay half of Fr. Duque's fare in going to either of these places. Items to be procured range from \$5 to \$10 which are easier to sell than the more expensive items.

9. Entertainment Committee Chairman is Manny de Leon. An Asian Ball is planned to be held a week before the festival.

10. Personnel Committee Chairman Celestino Gomez will also be in charge of Security. Manuel Andres and Gene Aiemanian will be helping him. They will watch over personnel coming to work since they will be free at the gates. Security is also needed during the collection of money after each day. Each group needs to have a representative and auditor when the money is counted on Monday after the festival.

The meeting was adjourned at 8 p.m.

Wow! You get health, beauty (everyone will agree that when you are in good health, beauty shines from within as well as out), coordination, camaraderie, and knowing you are contributing to the Association's needs...all for \$25.00!! Now, where else can you get a bargain like that?

The next class has already started, but it is not too late to join. Arrangements can always be made for discount rates to adjust individually. Also, by popular demand, it looks like this is going to be an ongoing activity. So, if you miss this group, make plans to join the next group on June 23.

Those registered in the present class are Becky Castro, Carmen Chico, Cora Ferrer, Fe Gatapia, Claire Ick, 9-year-old Filipina Lampa with her mom, Miling Lampa, Cora Lising, Vicky Mendoza, Nellie Portante, Tacing Quinones, and myself. Once in a while, Emily and Julie Quinones come to give their mom moral support.

NEWS FLASH The fund raising Garage Sale held May 14, 15, and 16, netted \$171.99.

PRESIDENT'S MESSAGE

I had a serious talk with my sister, Angie, co-chairman of the Membership Committee, about the Association. She asked me, "WHY ARE THERE FEW MEMBERS PAYING THEIR DUES?" I was really jolted by this question. So, I thought of conveying this to you, the Filipinos in the community.

I agree with all of you that when you are told of the same thing, it gets boring, it gets to your nerves, it bothers you. But I am sticking to my belief of PATIENCE and PERSEVERANCE.

After talking to Angie, I gathered all the issues of the TAMBULI this year and examined the lists of paid members. There was one thing I noticed, I don't know if you did. Most of the people who have paid to date are either brand new members or have not been members for a long time. This really surprised me.

Before I feel discouraged...let me ask you this: *What can you, as a Filipino in the community, suggest to me that would convince you to rejoin the Association?* This is our only CLUB here. It is not mine, or any one single individual's group. This is our Association. Why not add your voice to it?

Let me paraphrase John F. Kennedy's famous lines..."Ask not what your Association can do for you, (but rather) ask what you can do for your Association."

I deeply thank all of you who are very helpful, showing your support at all times. To Lydia DyRagos, who did a very fine job in the Garage Sale. To the Vergaras, for the use of their garage, to you all who donated items for sale and to those who bought the items...to all of you, Thank You!

I'll be eager to hear your suggestions as to how you can be convinced to join the Association and participate in its activities. Help me answer the question, WHY ONLY FEW MEMBERS HAVE PAID UP TO THIS POINT??"
